

Vision Trip Helps Children to See

Many thanks to Dr. Bill Walton, Dora Gonzalez, Lynnette Longoria, and Joe Conger for participating in our Vision Mission Trip to Queretaro, Mexico. We provided vision screenings to 158 children and caregivers. Most of the children are indigenous Otomi Indians from the mountainous areas of Queretaro. In our experience, the indigenous Indians of Mexico are more susceptible to needing eye-glasses. In addition, they come from generations of poverty and are the least able to afford an appointment with a doctor and buying eyeglasses. Due to the generosity of our volunteers and our generous donors, we are able to help each of these children to get the exams and eyeglasses that they need that otherwise would not be available to them. With your help, we are changing the futures of children so that they can see clearly to study in school and break the cycle of poverty.

Want to Make a Lasting Tribute?

Several of our donors have celebrated memorable milestones in their lives by making our ministry a central part of their celebration. In lieu of gifts for their birthday, wedding, baptism, or flowers for the funeral of a loved one, they requested that donations be made to Mi Casa. These gifts have helped the children in the missions have a loving home, and the elderly have a dignified life. You can also make a difference in their lives by offering your gifts to them. Simply ask your family and friends to make a donation to Mi Casa as a tribute to your memorable occasion. You will receive an acknowledgement for the donations made on your behalf. Your generosity will help a child or elderly person receive some of the blessings that you receive in your life every day!

Merry Christmas from the children and elderly in our missions for whom you help provide God's blessings.
